

October 2016 Newsletter
Martin Luther Child Development Center

Notes from the Office

Welcome fall! Please remember to send your child with a light jacket or sweatshirt for cooler days as we near winter! Also, please be sure you are checking your parent folder weekly. We will be having a popcorn fundraiser this month. YUM!

Beach Buddies

Check our calendar to keep up with our fun fall activities this month. Please send a light jacket so we are able to take a few walks outside before it gets to cold.

Little Explorers

For the month of October the Little Explorers will be working on fall and Halloween themed activities. We will get to experience fall weather as we play outside and use nature for some of our artwork. We will also have a Halloween party; the kids will get to dress up in costume and parade around the school.

Sea Stars

With fall in full swing, please remember to bring a light jacket for your kids to wear when we go outside to play. We've got some fun things planned for October... Stay tuned!

Busy Bugs

We are excited to learn about: dinosaurs, harvest, pumpkins and Halloween. Our special activities include a dinosaur dig, carving classroom pumpkin and a pajama/movie day on October 31st!

Shining Stars

We will start October with Pink Ribbon Awareness. The Shining Stars will be doing many fun science experiments with apples and pumpkins. The children are looking forward to the field trip to the pumpkin patch. Join us for our Halloween Party on October 28th from 4-4:30 pm.

Jungle Cubs

The Jungle Cubs will learn all about booo-tiful autumn and the exciting changes that come with the new season! The children will also be learning about germs, and how to stay healthy. There is a field trip to the pumpkin patch this month. The children will be scaring up even more fun during our Halloween week! A Halloween party and dress-up day will conclude October on the 31st.

Happy Campers

This October we will start the month off with everything fall for a harvest week. Then we will be watching the World Series and playing some baseball! Finally, we will round out the month with some Halloween fun and a monster mash!

Bucks

October brings many fun Halloween art projects. This month we will learn about creepy crawlers, friendly ghosts, bats in the night and trick-or-treat. I hope to see all of the kids dressed up in creative costumes this year. Happy Halloween!

Mallards

Owls, Bats, scarecrows and of course pumpkins will fill up October in the Mallards – lots of painting, cutting and gluing! Please note: On Mondays, Wednesdays and Fridays we go outside at 4:30. On Tuesdays and Thursdays we go out at 4pm. We will be in our room until 5pm at all other times. At 5pm we will go to the Bucks room.

Vikings

Welcome fall! This month we are going to be making ice cream and root beer floats. We will also be enjoying some whacky science experiments. If you haven't signed up for Class Dojo and still want to please see Ms. Ann

Badgers

Paint, glitter, spiders, bats and pumpkins will be filling the Badgers classroom just in time for Halloween. Grab a calendar and follow along! Ask a teacher about signing into Class Dojo, it's a great way to stay in touch with your child's teacher.

Brewers

We are gearing up for fall and Halloween. This month we will make a leaf book, a leaf collage and many decorations for Halloween. The Brewers will have a Halloween party in our classroom on October 31st. Please bring your school-appropriate costume and we will change after snack.

Packers

The Packers are ready to fall into autumn this October. We are looking forward to different experiments and treat activities, including Harry Potter Pumpkin Juice.
